

Dear Parents/Carers,

We are delighted to share with you some fantastic news.

Our school will be using ReadingScreen (provided by OxEd and Assessment) to assess our children's reading skills. ReadingScreen is a short (approx. 10 minutes) fun activity for children which gives useful information about children's reading skills to see if they need additional reading support. For more information about ReadingScreen please visit [www.oxedandassessment.com/readingscreen](http://www.oxedandassessment.com/readingscreen).

To implement the assessment the school needs to upload information about our pupils to OxEd. OxEd's data privacy statement, detailing how data is collected and used, can be accessed [here](#).

We hope you are as excited as we are about this wonderful opportunity for our children. If you have any concerns, or do not wish your child to be assessed using ReadingScreen, please let us know.

Best wishes,
