

Welcome to NELI News!

Every week, we will send home 'NELI News' for families. This will show you the **Special Words** we are working on in our NELI groups that week. Please use these words as much as possible when chatting with your child at home, this will really help them learn. Thanks!

When we have a **Story of the Week**, we'll tell you what it is so you can read or listen to it at home.

Meet Ted

Ted is a puppet. He comes to every NELI session, and he likes to chat with your child. He loves to hear all their news and ideas, and he helps them to follow the Listening Rules. He chooses a best listener every session.

Our Listening Rules

- Look  Look
- Listen  Listen
- Sit still  Sit still
- Be quiet if someone else is talking  Be quiet

Best Listener

Family Fun Page

Every week we will provide ideas for games and activities which you and your child to do together - have fun!

Game/song of the week

We will suggest a weekly game or a song which uses the **Special Words** of the week. If you know other relevant games and songs that you like better, please use these. These are just suggestions.

Online search of the week

Every week we will suggest a story to share online, or another online task you can do together. Please chat while you do it!

Activity of the week

NELI is all about talking and listening, so the more you can chat with your child as you share all these games and activities, the better. Each week, we'll suggest a different activity that links to the **Special Words and Stories**.

Try these at home
